
Serge Demeyer

January 14, 2003

Abstract

This document lists the publications authored by Serge Demeyer during the last five years (1997-2002). The list itself is divided into categories and within each category items are listed in reverse chronological order. Whenever possible a quality indicator is included: for journal papers the SCI impact factor as published in the 2000 JCR Science Edition, for conference papers the acceptance ratio.

Classification

- Articles in journals with external refereeing.
- Articles in conference proceedings with external refereeing.
- Monography as an author.
- Monography as editor.
- Workshop proceedings as editor.
- Articles without external refereeing.
